Student Testimonies

I like Kent Island Christian School because of all the teachers, and the principal. Of all the schools, I think Kent Island Christian School is the best. I want to stay here as long as I can.

~Sydney Booze / 3rd grade

I love being at Kent Island Christian School. I liked begin here because we use the ABeka Book curriculum. ABeka Book is my favorite curriculum because there are teaching sections when I can learn a new thing. This helps me glance at the rule when I get stuck. There is no bullying in this school. The uniforms help us focus. I think using tables instead of personal desks is better because we become close friends with our tablemates. In our school we use cursive instead of print. This is quicker because the letters are one line instead of a lot of lines. The thing I like most is that we are a Christian school.

~ Alex Weese / 4th grade

What I like about Kent Island Christian School is that my friends go here. We have lunch and recess on after another. KICS has a comfortable uniform to wear when we don't wear our gym clothes or dress down clothes.

~Braden Andrew / 3rd grade
