What is Celebrate Recovery?

Celebrate Recovery is a Christ centered recovery program designed to help people with a variety of hurts, habits, and hang-ups. Our weekly format includes a time of worship, teaching, sharing recovery issues and experiences, and gender based small groups. Celebrate Recovery provides a safe environment for real life-change in Jesus Christ, as participants personally work through specific Bible-based recovery steps in the context of Christian community. We recognize the truth that we need each other to grow personally and spiritually. If all your pursuits to find life and your pain have led to more pain and emotions, maybe it's time to consider something else. Join us, as together, we pursue real life in Jesus Christ and Celebrate the Recovery that only He can bring!

Things We ARE:

A safe place to share
A refuge
A place of belonging
A place to care for others and be cared for
A place where respect is given to each member
A place where confidentiality is highly regarded
A place to learn
A place to grow and become strong again
A place where you can take off your mask
A place for healthy challenges and healthy risks
A possible turning point in your life

Things We Are NOT:

A place for selfish control
A place for therapy
A place for secrets
A place to look for dating relationships
A place to rescue or be rescued by others
A place for perfection
A place to judge others
A quick fix
