Today's Focus: In our scripture lesson this morning, the newly crowned King has his eyes on Jerusalem. However, the Jebusites have another idea. They poured scorn on David like Satan dumps strongholds on us. The Jebusites served to be the next giant in King David's life; they were his stronghold. King David models for us the one tactic needed to defeat strongholds.

Prelude "I Sing the Mighty Power of God" Tornquist

♦ Call to Worship

Incline your ear, O Lord, and answer us.

Let us hear what God will speak to us.

We ask that you strengthen us, restore us, and inspire us with your love. Lord fill us with your peace so that as we journey onward, we would pour out your love and grace to others. We ask that our souls catch the wind of your spirit so that we would take your promises to all the earth. In Jesus name we pray. Amen.

Today's Message

Strongholds

Scripture

2 Samuel 5: 6-10

The Big Idea

Seasons come and go, but strongholds won't seem to go away. A stronghold is defined as a fortress, citadel thick walls and tall gates. A stronghold is that one weakness, habit, or thought that Satan claims in our lives, placing himself squarely between us and God's help.

Take this to Heart

- I. The world wants to capture your mind
- II. The world wants to contaminate your mind
- III. God wants to control your mind
